## COMMUNITY DIRECTORY

Enjoy, make good use of, and tell your friends about the January 2019 Warlingham Community Directory included with this issue. It gives contact details for organisations based in this village and others nearby which are used frequently by Warlingham people. We hope it will be useful to you all and particularly to newcomers enabling them to more easily become part of our community.

Copies are given free with your subscription to Parish News. Other copies are either available for reference in certain locations such as the library or made available at a charge of 50p at the Village News on Warlingham Green.

This Directory has been printed regularly in recent years and indeed it was being produced in the 1960s

as far back as the days of Canon Underwood while its origins go back even further. In some earlier years editors took a break from the normal news edition and produced instead an issue devoted entirely to the Directory or Our Village as it was called. So we have some pedigree in this operation.

## Thank you !

The start of a new year is an opportunity to thank all those who have worked tirelessly for the church and churchyard over the past year. Many of these tasks are undertaken outside service times, such as arranging the flowers, tidying the service books, preparing the services and so on. We may not see the work being done but we appreciate that it has been done. Music plays an important part in our services and we thank our superb organist, John, and the choir for their contribution. Not forgetting, of course, our Rector! Marion Havard

**Mark the date of  
SATURDAY 9<sup>TH</sup> MARCH in your diary.**

**We are holding another  
Hobbies Event in Warlingham Church Hall**

Those of you who came last year will remember how successful it was with almost thirty not for profit local groups, clubs and societies exhibiting. The range of interests that us local people have is amazing from pigeon fancying to yachting – yes there really is a Warlingham Yacht Club.

Our local churches were well represented with Tony Roberts explaining about astronomy and one of the star stands never short of a crowd was Revd James and his tortoises. Richard, the organiser had thought to

himself that tortoises was a daft idea, but how wrong can you be! This year the event will run from 11am – 2pm.

The hobbies that did best were those that had a clear message so if you are thinking about showing an activity, make it clear what you do and hopefully you will get lots of interest. If you would like to exhibit this year contact Richard e: [rlbransby@btconnect.com](mailto:rlbransby@btconnect.com) or t: 01883 623839. It's free to exhibit so you have nothing to lose!
